OUR
DIFFERENTIATORS

DESIGN-LED

We're a creative office specialist delivering unique workplaces where occupiers become long-term partners, and their needs are number one.

INTELLIGENT PORTFOLIO

Intelligent Buildings read the real-time activity of the building, and learn to react intuitively to this information, keeping them running much more efficiently than traditional buildings.

RESPONSIBLE DEVELOPMENT-LED

We're a conscientious landlord firmly focused on the future and committed to becoming a net zero carbon (NZC) business by 2030.

DL/ MEMBERS

As a valued occupier, our members will automatically enjoy complimentary DL/ Membership status with all its many benefits.

DESIGN-LED

In our eyes, design is everything. Enhancing community, improving life quality, and achieving sustainability are only possible through outstanding forward-thinking design.

We partner with the best industry practitioners to create buildings that set benchmarks and have a positive long-term impact on people, society and the planet. Space, light and air quality are the bedrock of every project. Creative use of superior materials, alongside innovative architectural details make each one unique.

80 Charlotte Street W1

INTELLIGENT PORTFOLIO

'Intelligent Building' is an industry term describing the optimisation of operational efficiency and occupier wellbeing through advanced technology.

The specific positive results of these automated systems are manifold and include reduced service costs, minimised energy use, lower carbon emissions, improved comfort and simplified maintenance.

Our Intelligent Building rollout is on target to cover 32% of our portfolio by the end of 2023 and 58% by 2030.

Intelligent Buildings video

RESPONSIBLE DEVELOPMENT

A landlord who understands the future.

Derwent London are committed to becoming a net zero carbon (NZC) business by 2030.

2020

- Set science backed targets to achieve NZC by 2030
- Published our NZC Pathway

Our developments

- All-electric heating & cooling systems
- Passive ventilation
- Rationalisation of structure/retainment of sub-structure
- Re-use of existing materials

Energy

- Set operational energy reduction targets
- Driving down energy demands
- Self-generated renewable energy
- Procure 100% renewable energy sources
- Offset residual carbon emissions

Occupier Engagement

- Green Leases
- Active management of fit-outs
- Partnership approach

2030

NET ZERO

DELIVERING ON OUR 2030 NZC PATHWAY - OUR TARGETS:

Reduce building energy (Scope 1, 2 & 3)

- 4% year-on-year reduction.
2030: 90kWh/m²

Reduce embodied carbon (Scope 3)

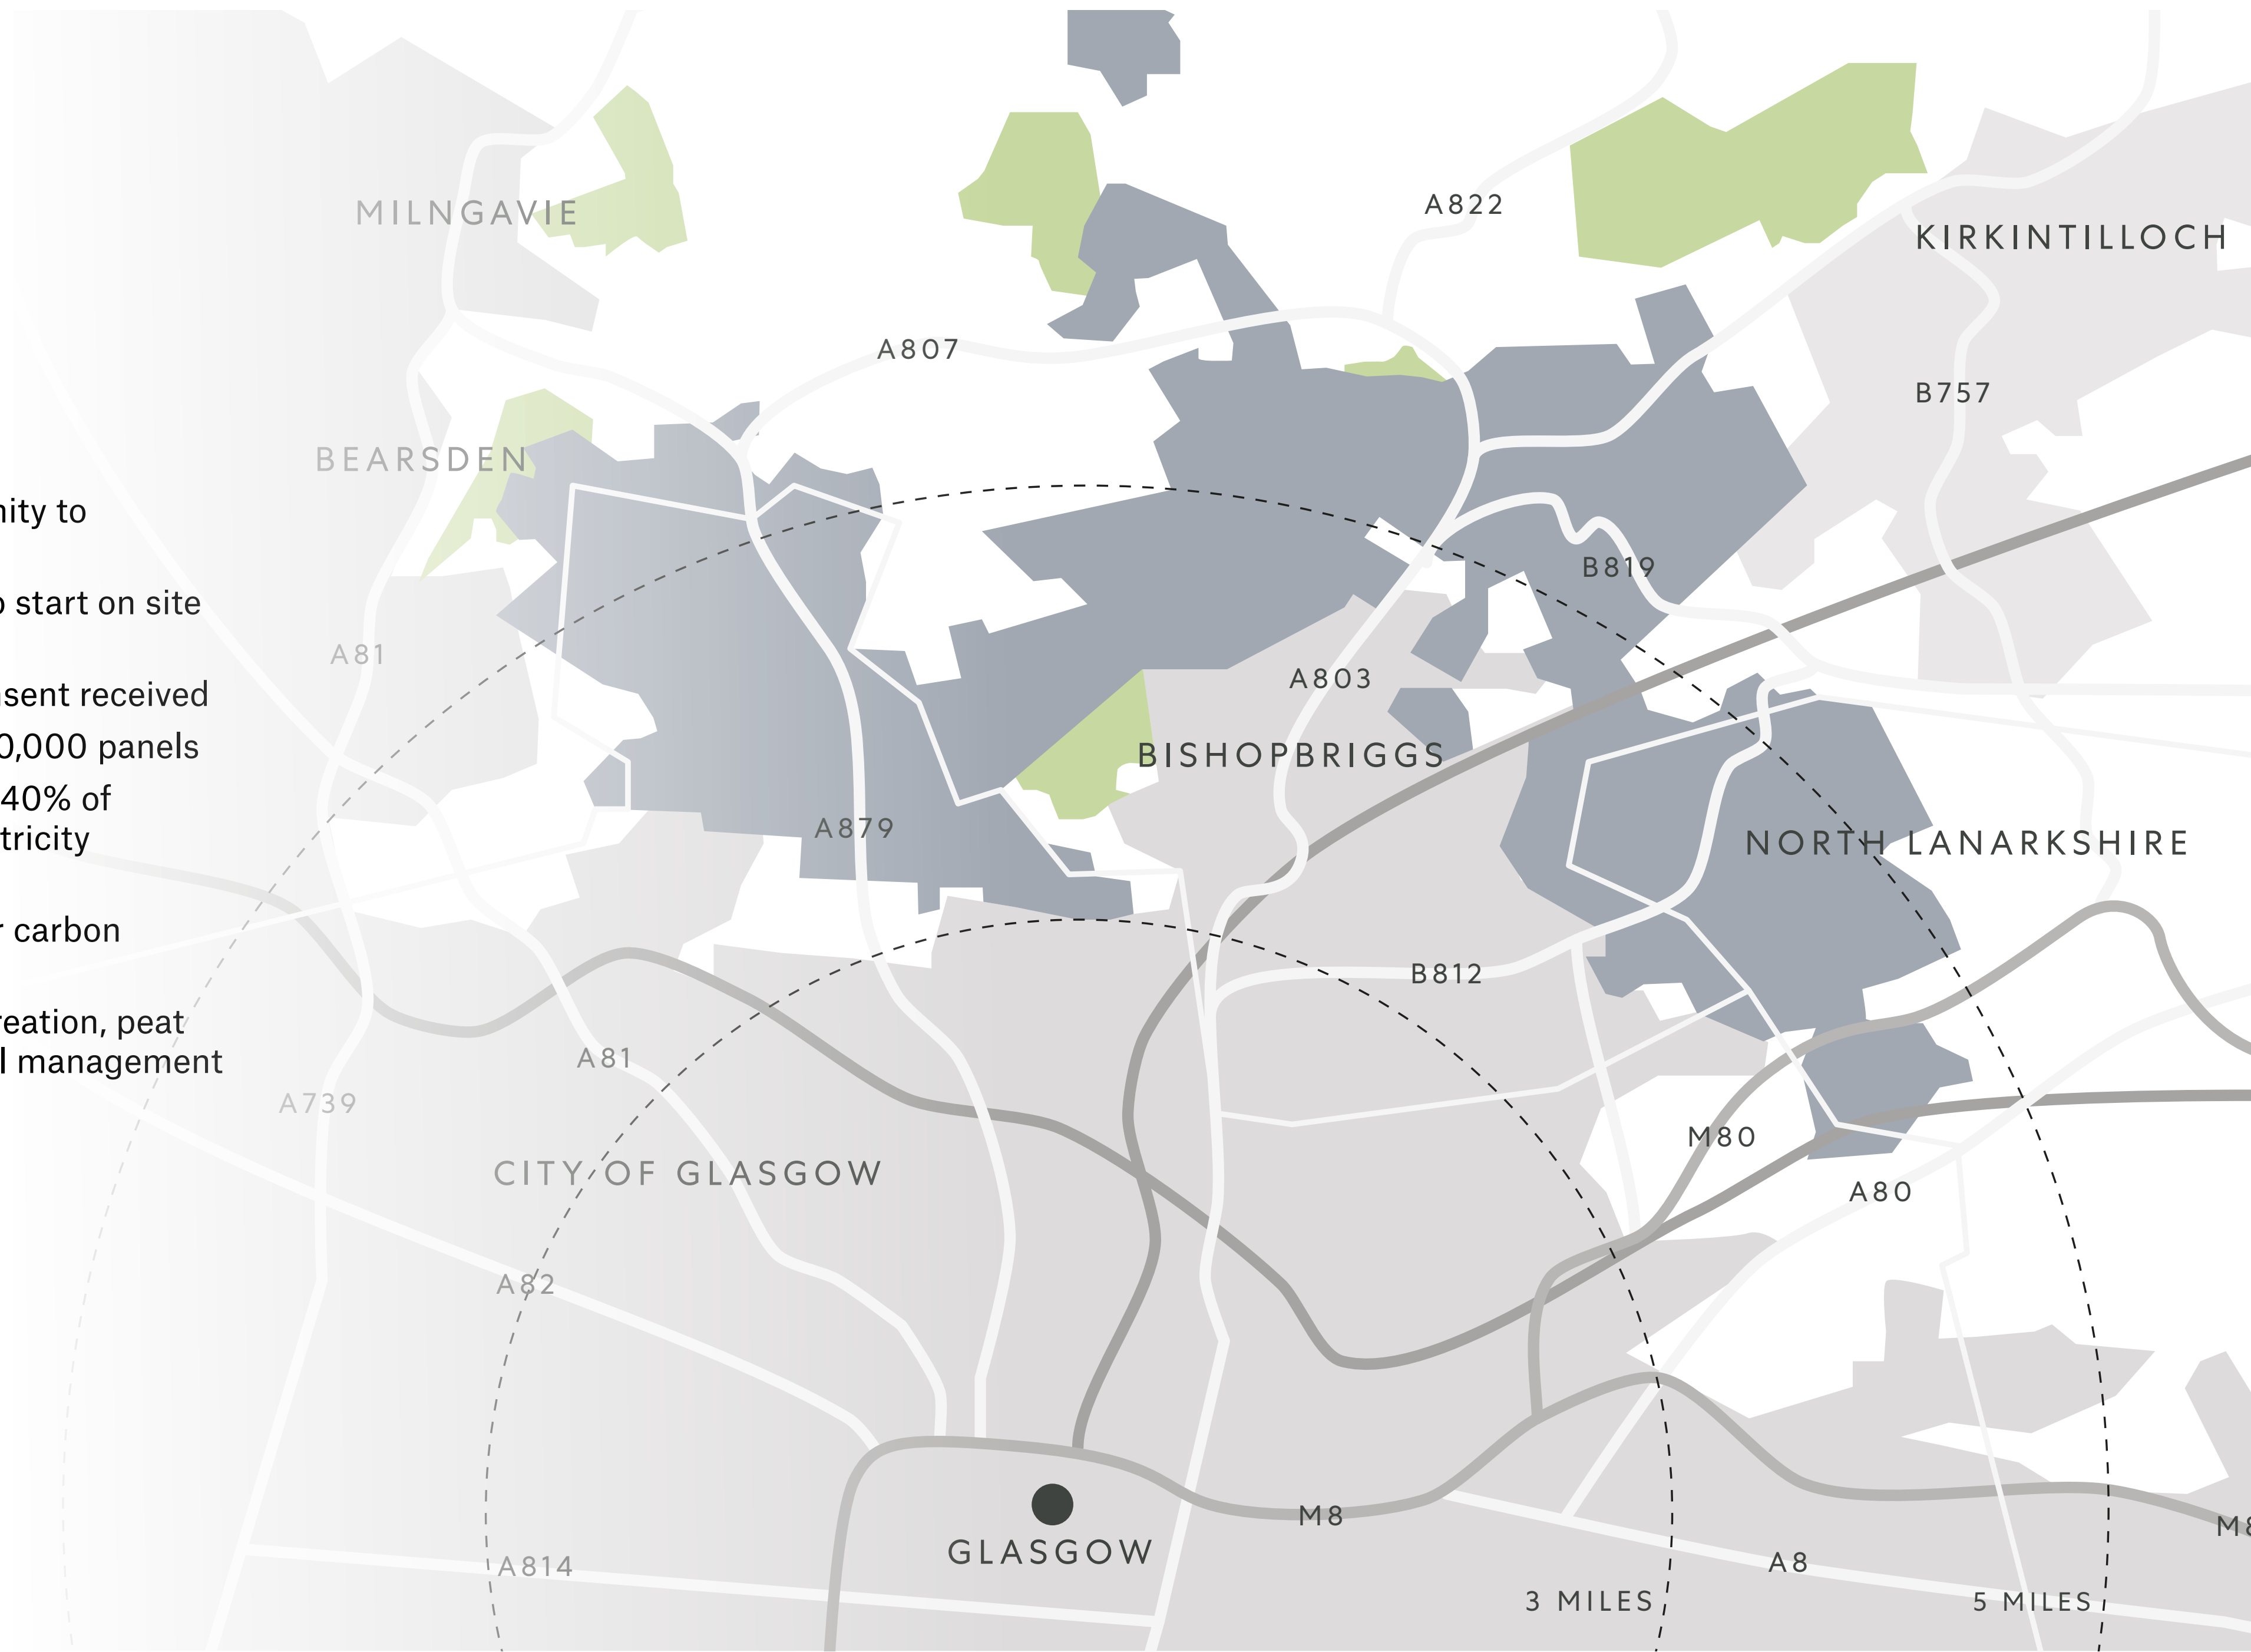

- 2025 Target <600 kgCO₂e/m²
- 2030 Target <500 kgCO₂e/m²
- Offset residual emissions

Invest in renewable energy (Scope 1, 2 & 3)

- 2022 Target: 100% Green tariffs for electricity and gas
- Increase percentage of self-generated renewable energy

RESPONSIBLE DEVELOPMENT

- 5,500 acres, with the opportunity to contribute to our pathway
- Solar park on 107 acres, due to start on site in 2023:
 - Resolution to grant consent received
 - 18.4 MW comprising 60,000 panels
 - Potential to generate c.40% of managed portfolio electricity requirements
- Other opportunities for further carbon offsetting
 - Additional woodland creation, peat bog restoration and soil management

DL / MEMBERS

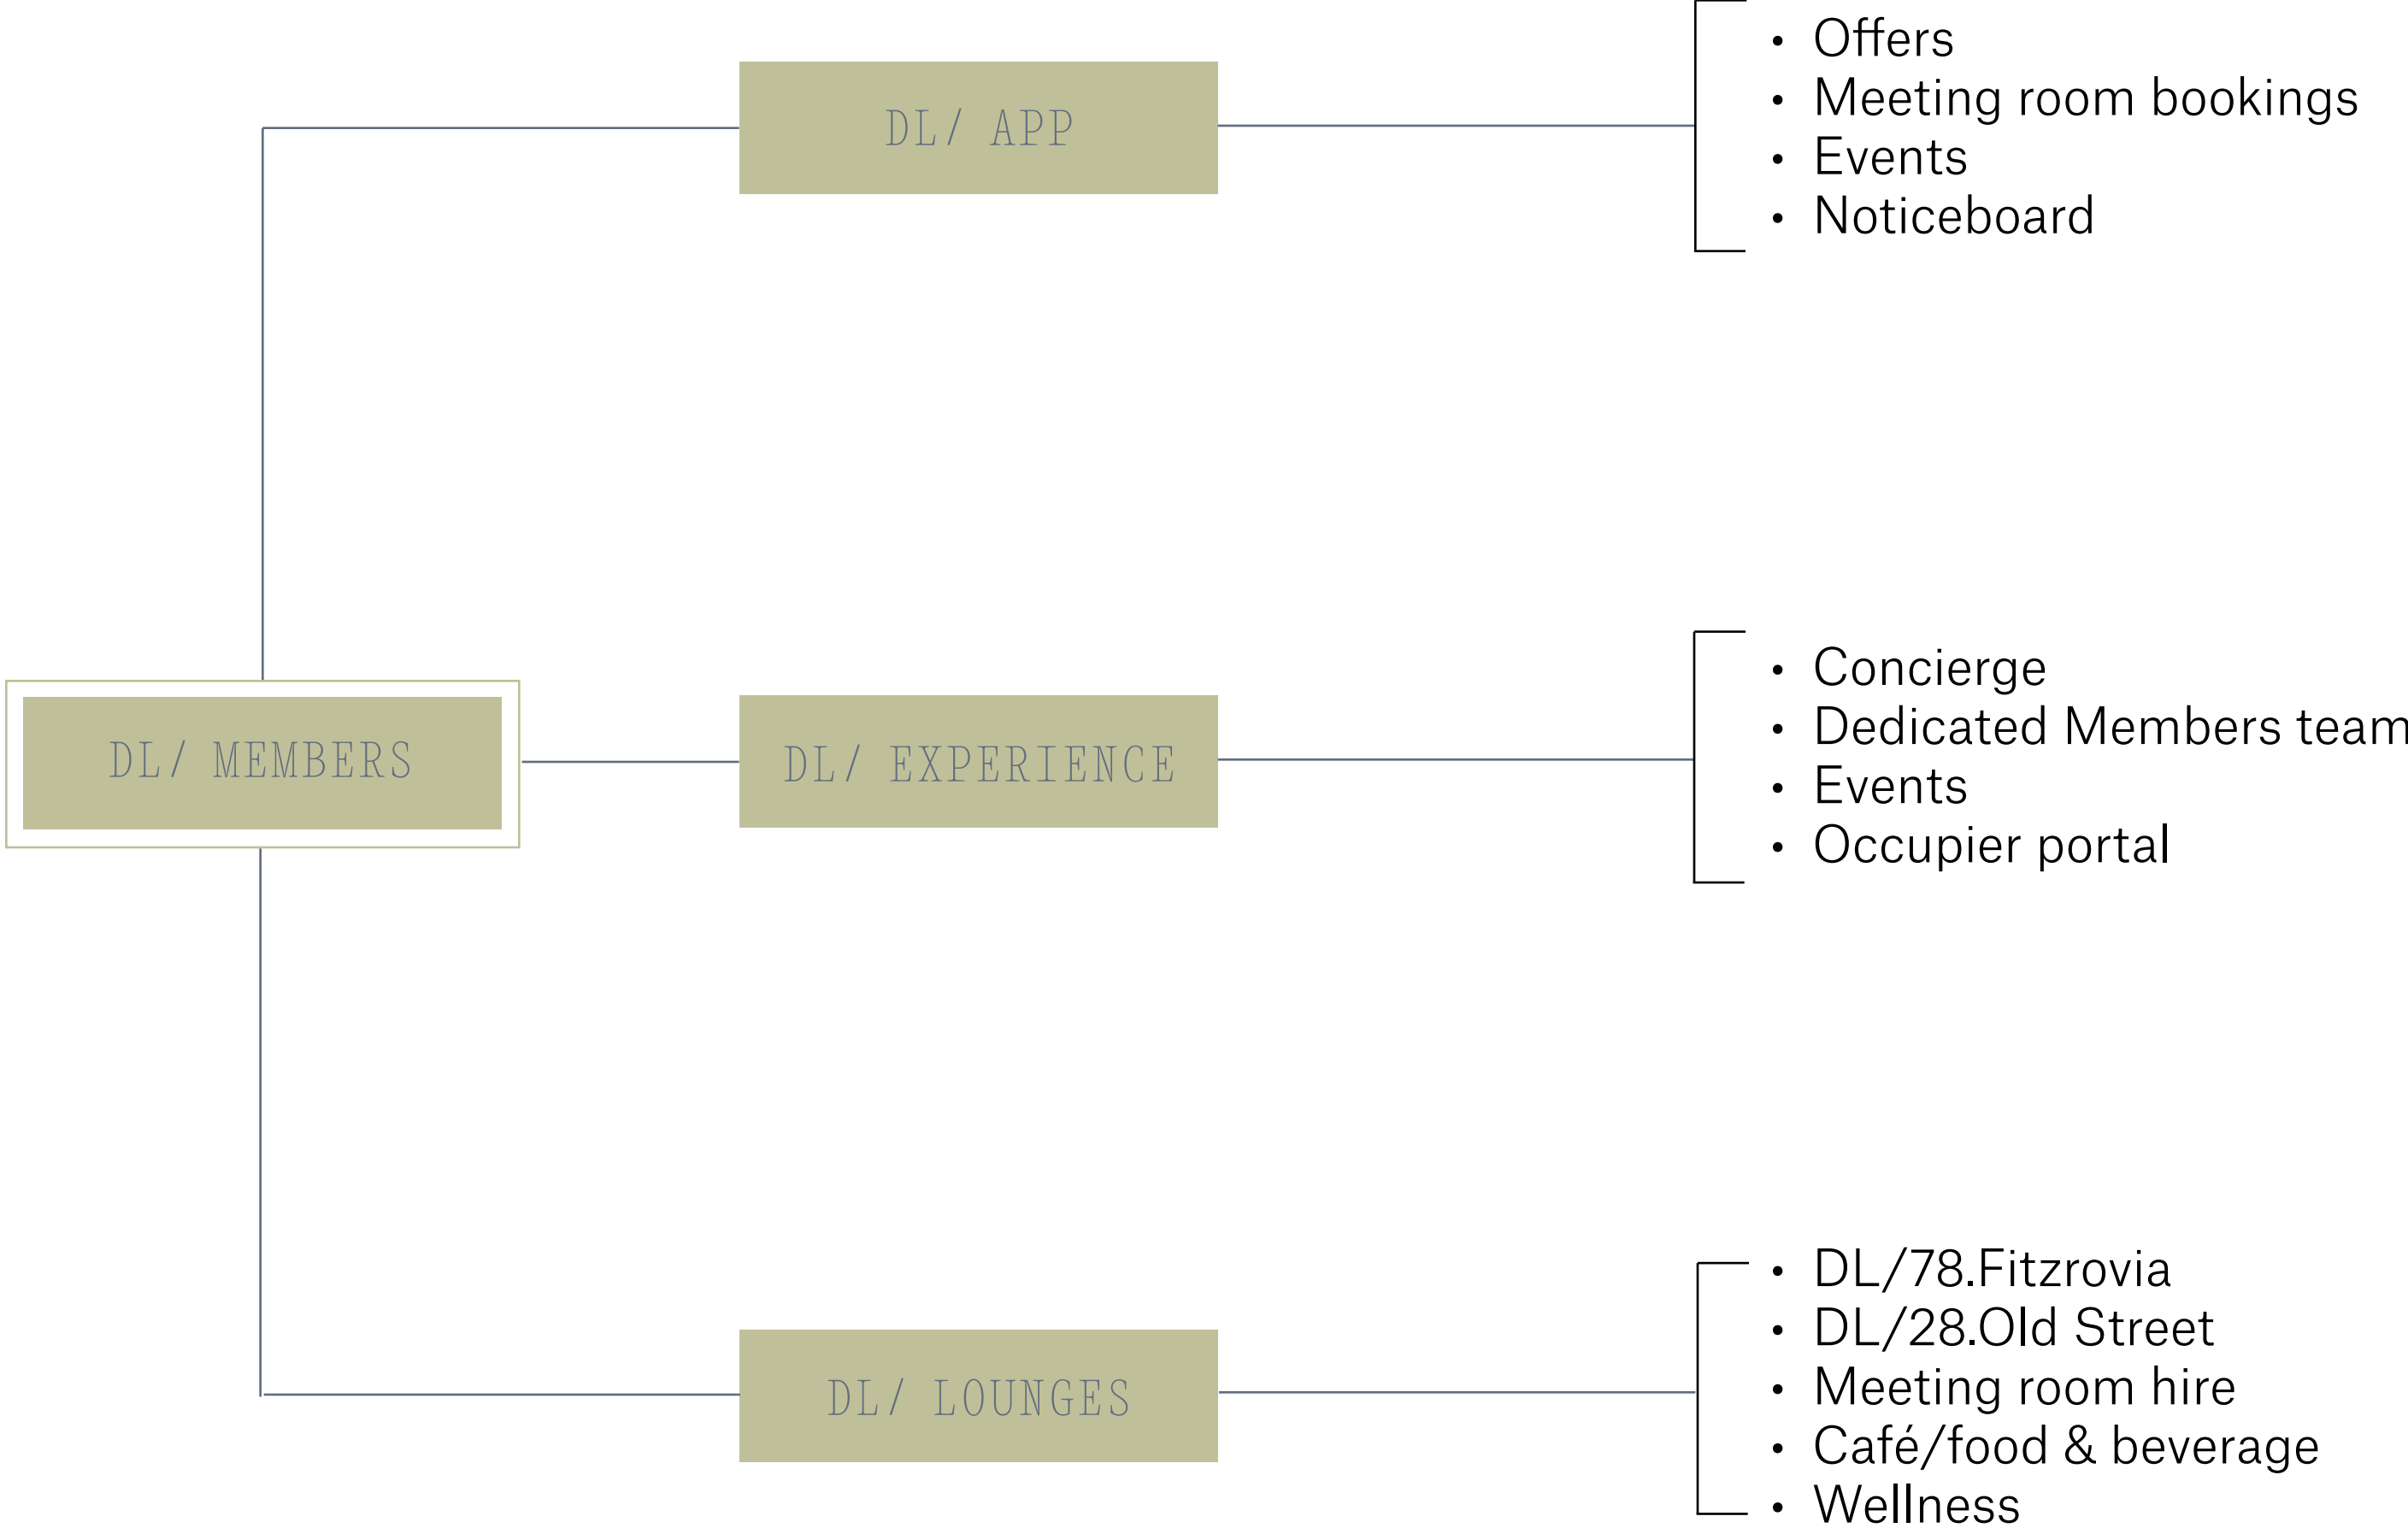

All occupiers of a Derwent London building will automatically enjoy complimentary DL/ Membership status.

All DL/ Members will have access to an ever-growing package of exclusive benefits. They will love our DL/78 and DL/28 Lounges for meetings, connecting and collaboration.

They will save money with our specially negotiated discounts from a diverse collection of businesses, including local coffee shops, restaurants and wellness brands. Be a welcome participant in our packed calendar of experience-led events curated by our dedicated team. And the DL/ App is their effortless personal portal to all of it.

Why? Because we see our role going way beyond the responsibilities of a traditional landlord. We want to create a positive sense of community among all of us in the Derwent London family.

DL/ Membership is us inviting occupiers to be part of it and make the most of it.

DL / LOUNGES

Created for connection and collaboration, our two DL/ Lounges are inspiring hybrid spaces where Members come to work, meet, eat, socialise and be inspired.

We designed these multi-purpose environments as destinations for our community to gather, learn and share meaningful and productive experiences together.

Drop in and work or network in your exclusive workspaces with a library and café. Book the high-spec meeting rooms and private event spaces for your business.

Join us for education, creativity and fun at our curated community events hosted by guest experts. They're yours to use and easy to access via the DL/ App.

DL / 78 . FITZROVIA

DL / 28 . OLDSTREET

DL / EXPERIENCE

Our dedicated DL/ Experience team works hard behind the scenes to ensure the very best experience for all our DL/ Members.

A full concierge service comes as standard at all our buildings, offering the day-to-day services and amenities you'd expect. But on top of that, we're busy curating a diverse line-up of events for our members throughout the year.

From inspiring talks, seminars and workshops to movie nights, competitions and charity auctions, there's something for everyone. And if you have an event in mind, we'll help you create the perfect experience at one of our DL/ Lounges.

DL / APP

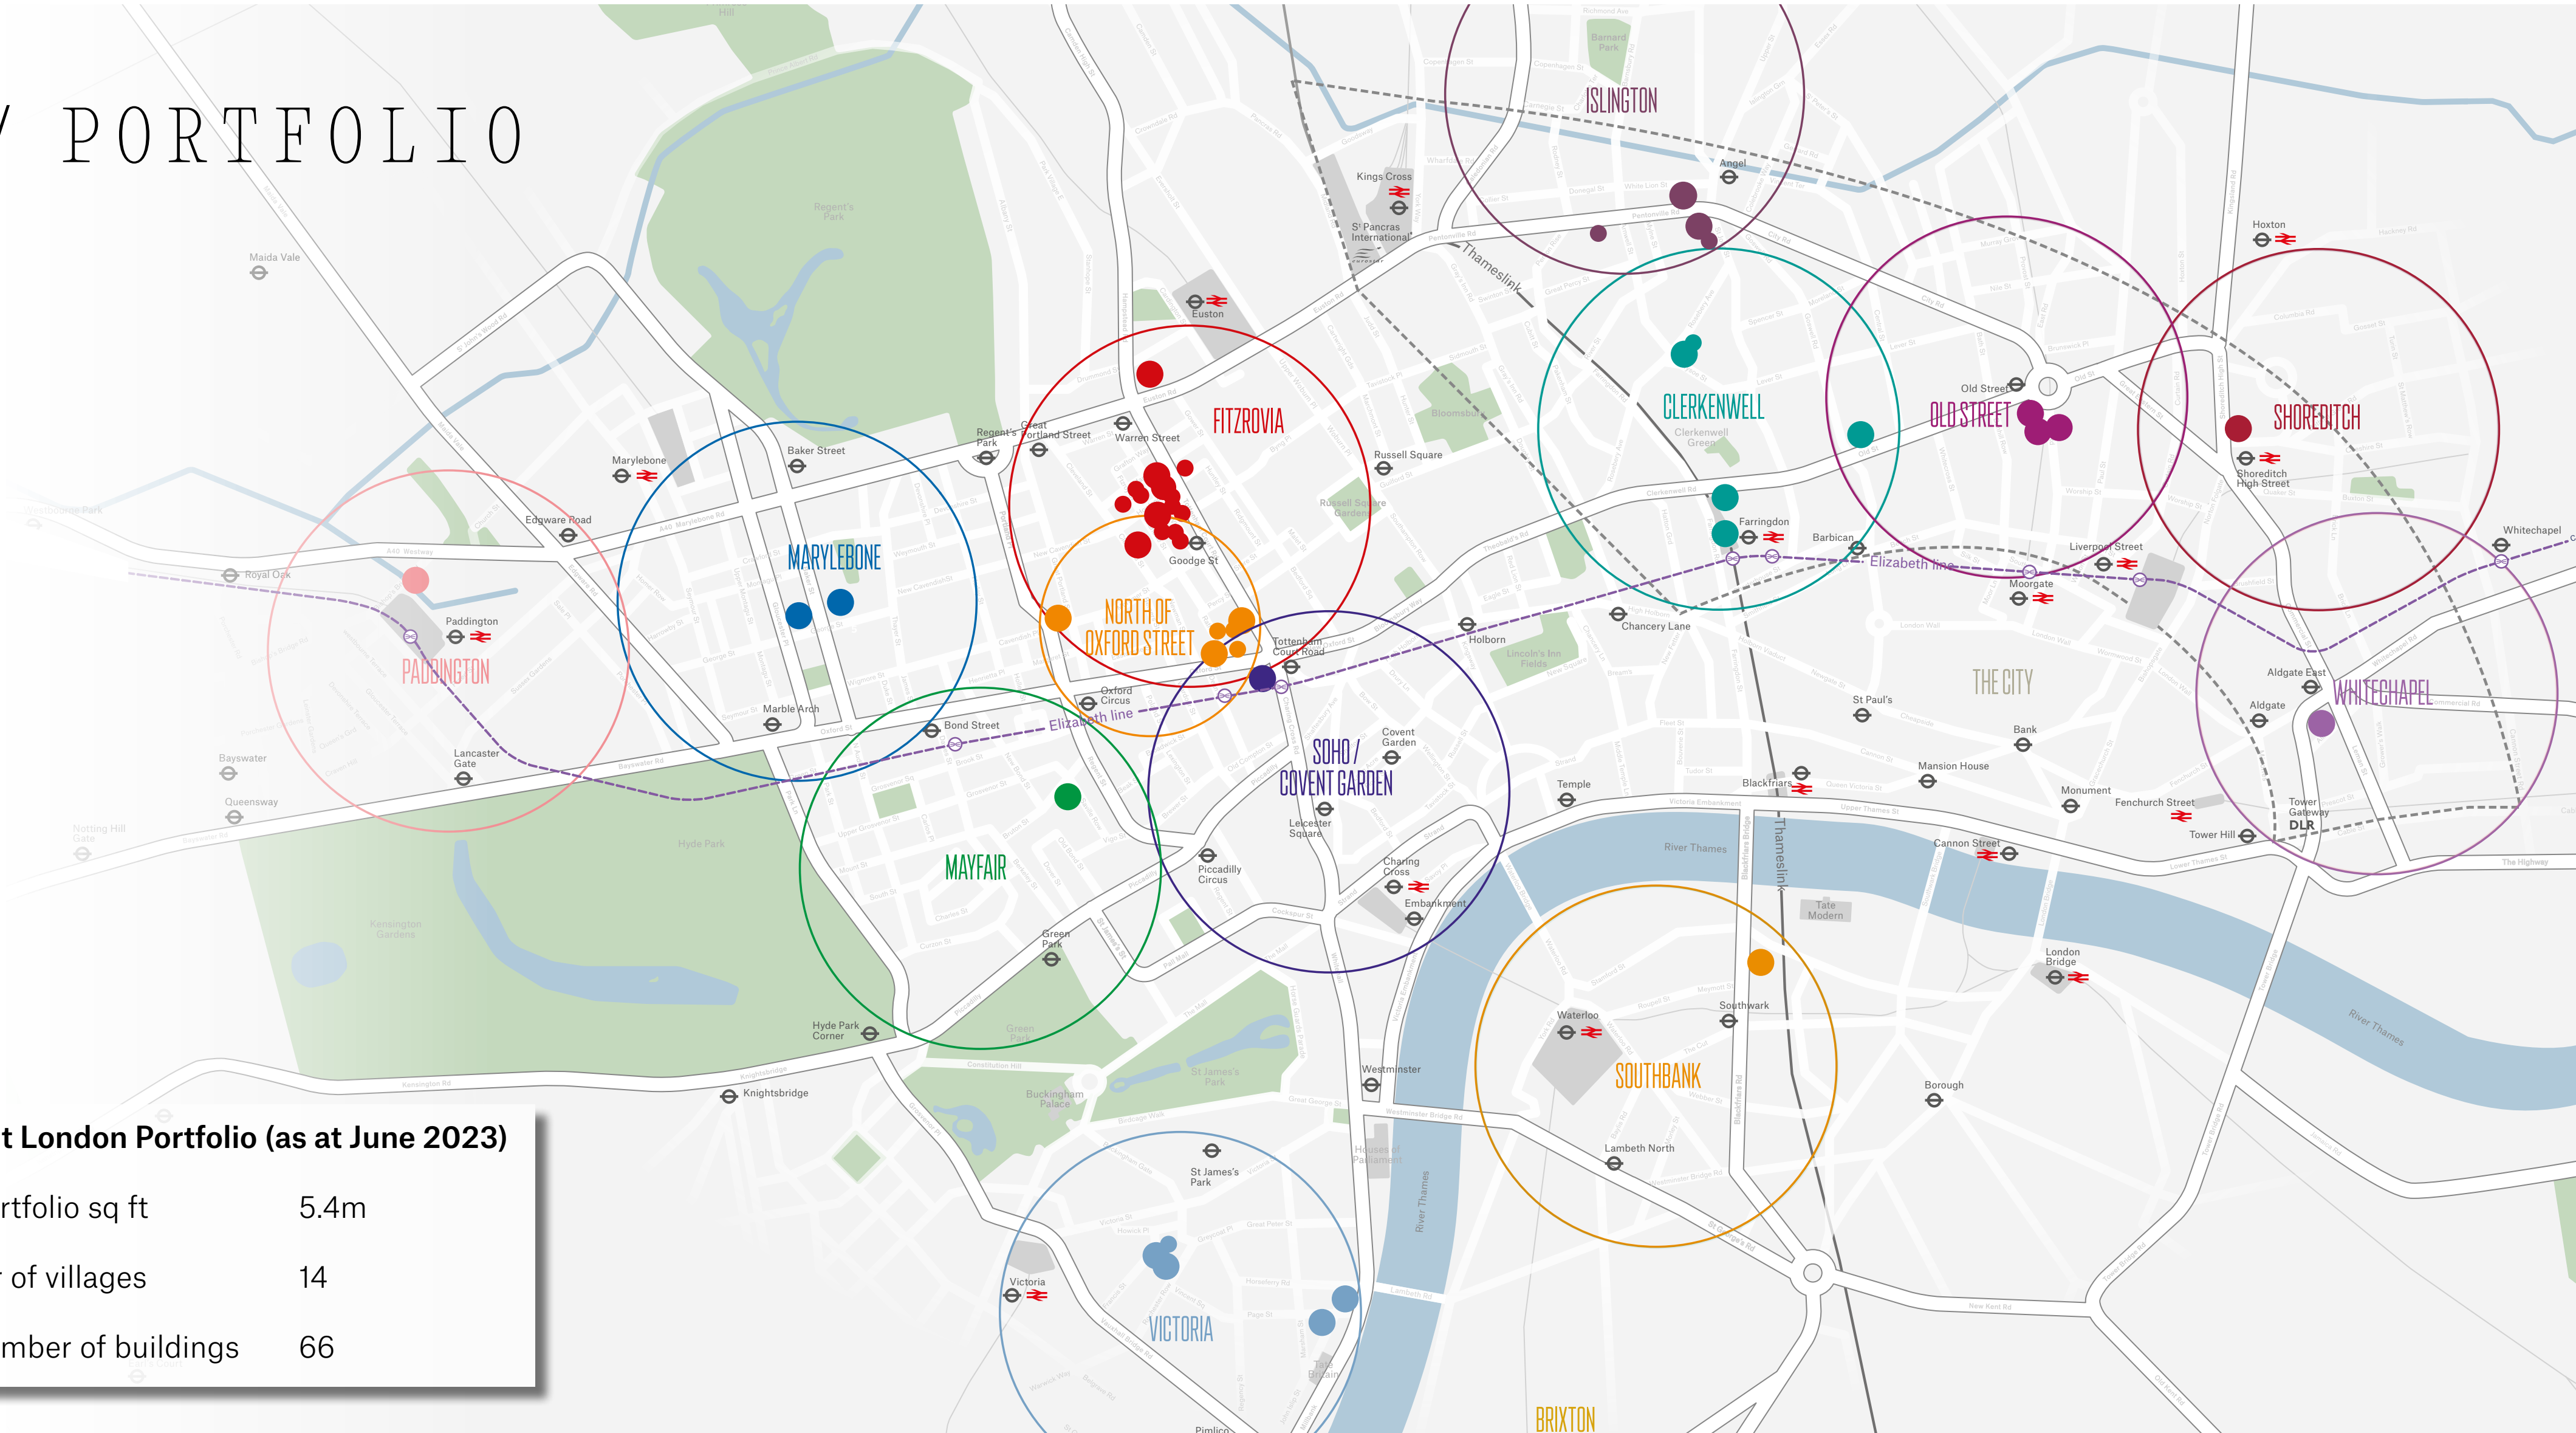

Our occupiers can put the world of Derwent London in their pocket with the DL/ App, brimming with a curated collection of features and DL/ Member benefits.

They will enjoy smart key access entry in their building. They can stay on the pulse with relevant news stories. Get exclusive special offers for a host of coffee shops, restaurants and brands. Secure their place at cultural events, lectures and screenings.

Get discounted rates on DL/78 meeting rooms tailored to their needs. Browse available Furnished + Flexible workspaces across central London. It's all there in their hand. Access everything in just a few clicks, and helpful notifications mean you never miss a thing.

OLIVER'S YARD

An architectural rendering of a modern building's interior. The scene is a two-story atrium. The upper level is a mezzanine with a curved glass railing, overlooking a lounge area with wooden chairs and tables. The lower level features a large wall of light-colored wood paneling with a grid pattern, a person sitting on a bench, and a person walking in the foreground. The space is bright and airy, with natural light coming from large windows on the left.
