This presentation has been prepared by Derwent London plc (the "Company"). No representation or warranty (express or implied) of any nature is given nor is any responsibility or liability of any kind accepted by the Company or any of its directors, officers, employees, advisers, representatives or other agents, with respect to the truthfulness, completeness or accuracy of any information, projection, representation or warranty (expressed or implied), omissions, errors or misstatements in this presentation, or any other written or oral statement provided.

In particular, no responsibility or liability is or will be accepted and no representation or warranty is or is authorised to be given as to the accuracy, reliability or reasonableness of any forward-looking statement, including any future projections, management targets, estimates or assessments of future prospects contained in this presentation, or of any assumption or estimate on the basis of which they have been given (which may be subject to significant business, economic or competitive uncertainties and contingencies beyond the control of the management of the Company). Any such forward-looking statements have not been independently audited, examined or otherwise reviewed or verified.

All views expressed in this presentation are based on financial, economic, market and other conditions prevailing as of the date of this presentation. The Company does not undertake to provide access to any additional information or to update any future projections, management targets, estimates or assessment of future prospects or any other forward-looking statements to reflect events that occur or circumstances that arise after the date of this presentation, or to correct any inaccuracies in this presentation which may become

apparent. Past performance is not indicative of future results and forward-looking statements are not guarantees of future performance.

This presentation is for information purposes only and does not constitute an offering document or an offer of transferable securities to the public in the UK. This presentation is not intended to provide the basis for any credit or other evaluation of any securities of the Company and should not be considered as a recommendation that any investor should subscribe for, dispose of or purchase any such securities or enter into any other transaction with the Company or any other person. The merits and suitability of any investment action in relation to securities should be considered carefully and involve, among other things, an assessment of the legal, tax, accounting, regulatory, financial, credit and other related aspects of such securities.

This presentation is being communicated or distributed within the UK only to persons to whom it may lawfully be communicated, and has not been approved for the purposes of section 21 of the Financial Services and Markets Act 2000. It may not be reproduced (in whole or in part), distributed or transmitted to any other person without the prior written consent of the Company. In particular this presentation is not intended for distribution to, or use by, any person or entity in any jurisdiction or country where such distribution or use would be contrary to local law or regulation. Any recipients of this presentation outside the UK should inform themselves of and observe any applicable legal or regulatory requirements in their jurisdiction, and are treated as having represented that they are able to receive this presentation without contravention of any law or regulation in the jurisdiction in which they reside or conduct business.
